WHEN RESULTS ARE ON THE LINE

MAKE SURE YOU'RE CLEAN

OUR MISSION

Our mission at High Voltage Detox is to create a convenient and delicious detoxification product that provides key nutrients and herbs to remove toxins from your body. High Voltage Detox provides a safe and effective way to help cleanse the body of unwanted toxins that build up on a daily basis, we are dedicated to delivering superior customer support in a highly efficient manner. We also strive for honesty, fairness and integrity in everything we do and sell.

CUSTOMER PROFILE

High Voltage Detox's primary customers are individuals who care about their health and understand the benefits of nutritional supplements. Both men and women will benefit from this, especially when they need those toxins removed quickly. The combination of herbs, vitamins and nutrients are designed to meet the specific needs of its target customer base.

By increasing marketing and product awareness to our target customers, High Voltage Detox has become one of the most popular Detoxification product lines in the marketplace and has drawn in new customers year after year.

DISCLAIMER

Always consider the advice of your doctor or nutritionist when making decisions about your health. People with special health needs and pregnant or nursing women should consult a specialist prior to beginning any nutritional supplement program.

*These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease. The efficacy of this product has not been confirmed by research, and traditional use does not establish that this product will achieve any claimed result.

WARNING: Do not use this product if you are pregnant, breastfeeding, have kidney or gallbladder disorder or disease. This product is not recommended for prolonged use. When using this product you may experience minor nausea, diarrhea, dizziness, or cramping. If you experience any of these symptoms, discontinue use of product. If symptoms persist, seek medical assistance. As with all herbal supplements, this product is not recommended for children without the supervision of a parent or guardian.
